Article 67

A substance on its own, in a mixture or in an article, for which Annex XVII contains a restriction, shall not be manufactured, placed on the market or used unless it complies with the conditions of that restriction.

Westermo declares that the products do not contravene the restrictions in Annex XVII.

Annex XIV

Substances on the Candidate list are prioritized to be added to the Authorization List (Annex XIV). A substance is no longer permitted for the EU market after its sunset date.

Westermo declares that the products do not contain Annex XIV substances that have passed the sunset date unless an authorization has been granted for our use, or the use is exempted from authorization.

Westermo is monitoring the updates of the prioritized Candidate List substances to the Authorization List (Annex XIV). Westermo has solely relied on the information retrieved from the supply chain and has not conducted chemical analysis or other similar testing.
