

Statement - Regulation (EU) 2023/1115 on Deforestation-Free Products (EUDR)

The manufacturer
Westermo Network Technologies AB
Metallverksgatan 8
SE-721 30 Västerås
Sweden

hereby states that Regulation (EU) 2023/1115 on Deforestation-Free Products (EUDR) has been reviewed, and based on our current understanding, the following Westermo product families in the wired segment:

- Viper
- Lynx
- Redfox
- DDW
- Legacy & Unmanaged

do not fall under the scope of this regulation. These products and their packaging are not classified under the HS codes listed in Annex I, which means they are not subject to the due diligence or reporting requirements of the EUDR.

This statement is based on our product classification and interpretation of the regulation as of September 2025. If the regulation or our products change, we'll update our position accordingly.
