

Statement - Regulation (EU) 2019/1021 on Persistent Organic Pollutants

The manufacturer
Westermo Network Technologies AB
Metallverksgatan 8
SE-721 30 Västerås
Sweden

hereby states that the product families within the wired segment:

- Viper
- Lynx
- Redfox
- DDW
- Legacy & Unmanaged

are to the best of our knowledge in compliance with the requirements of Regulation (EU) 2019/1021 on Persistent Organic Pollutants. Westermo products do not contain substances subject to prohibitions listed in Annex I to Regulation (EU) 2019/1021.

Disclaimer: This statement is based on information that is reasonably ascertainable through supplier declarations, technical documentation, and internal assessments. Westermo continues to monitor regulatory developments and updates its compliance practices accordingly.
